

Hardware withdrawal: DS3500 drives and select features - No replacements available

Table of contents

- 1 Overview
- 1 Withdrawn products
- 3 Replacement product information

Overview

Effective June 21, 2014, IBM® will withdraw from marketing the following products. On or after the effective dates of withdrawal, you can no longer order these products directly from IBM.

For new orders, the customer requested arrival date (CRAD) can be no later than August 22, 2014.

You can obtain the products on an as-available basis through IBM Business Partners.

If you have a continuing need for this feature/options, visit IBM Certified Used website to check on availability or utilize request a quote to communicate your specific requirements. IBM Certified Used Equipment™ has the largest inventory of used IBM systems that are refurbished, tested, and warranted for a minimum of 90 days. For further information, visit
